## Round 10 Wrap Up

### **Seniors**

An ordinary day for our seniors going down to Oak Park 17.7.109 to Tullamarine 10.14.74.

We were never really in the game being out played and out muscled by a more determined outfit in Oak Park.

Anthony Franchina kicked 4 and Jack Kennedy kicked 2 but apart from that we had no avenue to goal. We missed Anthony Prestia in the mid field and I'm sure DC will be working hard at trying to cover him while he is out.

Amongst our best were Adam Scott, Jack Kennedy and Caleb Harward, but these guys didn't have too many friends which was disappointing. We currently sit 2<sup>nd</sup> on the ladder with Craieburn breathing down our neck.

### **Reserves**

A great win by our reserves side beating Oak Park 6.6.42 to Tullamarine 20.16.136.

Sammy McIntyre was on fire kicking 5 supported by Dean Gila who kicked 4, Joel Flanigan and Ben Daly kicked 3 each

Best for the day were Sammy, Luke Hampshire, Dean Gila and Alessio Gobbo.

We currently sit 5<sup>th</sup> on the ladder one game out of the 4.

### **Under 19's**

Our 19's continue to improve each week, although going down to Hillside 9.14.69 to Tullamarine 1.3.9 we were in the game for three quarters being overrun in the last by a fitter side.

Amongst our best for the day were Parisi, Matty Watts, Dylan Watts and Timmy Matson

Although sitting last on the ladder the future looks extremely bright as these boys play more footy together.
