## Round 11 Wrap

### **Seniors**

A solid win to our seniors over Westmeadows after a very disappointing loss last week, Tullamarine 12.10.82 to Westmeadows 8.3.51.

The message from DC was let's be 'blue collar and workman like', in other words nothing fancy, just attack the footy, tackles and pressure acts would be the focus for this game.

We had a record 67 tackles in the first half which almost matched what we produced for the entire game against Oak Park last week, we finished with a season high 116 for the game which was very pleasing for the coaching staff.

Another strong part of our game was the intensity around the centre clearances and stoppages, which was well up on last week also.

Brad Allen was a key focal point again, kicking 5 with great support from Steve Vocale and Matty Watts (in for his first senior game for the year) with 2 each.

Mulvaney, Harward, Allen and Vocale were all in the best.

We sit clear second on the ladder now with a bye next week to rest up before a tough game away against Craigieburn.

### **Reserves**

Our reserves had a disappointing loss to Westmeadows going down by 2 points, Tullamarine 8.8.56 to Westmeadows 9.4.58.

Sammy McIntyre was lively up forward kicking 4.

The best players for the day were Inguanti, Hearnden, McIntyre and Flanigan

This now makes finals very unlikely, which is disappointing after a very promising start to the year for our reserves side.

### **Under 19's**

A very disappointing loss, not much else to say.

The key takeout for the players here is get to training and start taking your football seriously.
