Round 2 Wrap Up

The day had arrived, a big game against arch rival Westmeadows and the much-anticipated return of their favourite son Dane Swan who was playing his first game for Westmeadows since retiring from Collingwood.

DC's message to our boys was very much it's business as usual, ignore the hype around Swan and lets just go out and be clinical and professional and play our brand of football.

We started well in front of approx. 3500 spectators kicking 4.4 to 1.2 in the first quarter with the highlight being a massive 33 tackles, our pressure around the footy was very good.

Ryan Pretty with 7 goals was outstanding up forward and along with Presti in the middle were easily our two best players. Callum Strugnell's attack on the footy was excellent and he was also in our best.

Down back was where the game was won, the opposition found it very difficult to penetrate our half back line with Steeley and Russ leading the way.

A huge tackle count (109) for the game was telling.

We ran away in the end with superior fitness in the warm conditions winning 15.15.105 to 10.5.65

We now have a week off with the bye and then get ready for a big game against Craigieburn at home.

Well done to our reserves boys who beat Westmeadows for the first time in 17 years winning 13.16.94 to 5.5.35

The song was sung very loud after the game that's for sure.

Our 19's were outclassed by last years premiers but can certainly hold their heads high, they tried hard all day and you can see Labbs game plan is slowly coming together.

Scores were Westmeadows 15.14.104 to Tullamarine 2.3.15
