

Sunday 13th May: Tulla Blue U9s played Keilor out at Kealba Green Gully.

It was evident early that our kids came to play as the intensity shown by ALL was spot on from the 1st bounce.

Our more experienced players as normal led from the front, but the most pleasing part of the game was the team work, pressure & willingness to go in, get the ball that each of our 1st year players displayed.

The kids were able to consistently score throughout the game & limit that of the opposition despite being outnumbered by 1 in 2 zones of the ground throughout the game. Well done to all the kids hold your heads high!
